Printed Resource Subscription Policy

At Mr James Maths Tuition we like to make things as easy as possible for our students which is why we offer the option for students to receive paper-based copies of the work for their tutoring sessions. If the student does not have access to a printer, then for a small fee, the resources can be printed and the tutor will bring these resources to the students tuition session on a weekly basis. Please see the price list below. **Please note that these prices are per item.**

Practice Papers - £2.50 per booklet

Practice Exam Question Booklet - £2.50 per booklet

Worksheets – 20p per sheet

Homework Booklet - £2.00 per booklet

Maths Booklets – Grade 1-9. £5.00 per booklet

Problem Solving Booklets - £5.00 per booklet

11+ Booklets – Verbal and Non-Verbal Reasoning - £5.00 per booklet

Examination revision practice papers - £6.00 per booklet

Students can subscribe or unsubscribe from this service at any time during their booking by emailing: resources@mrjamesmathstuition.co.uk.

If a student decides that they would like to unsubscribe from the printed resources, the amount which has been paid will be divided between the 10 hour booking, so for example, if a student has 2 sessions and decides that they no longer wish to proceed with the printed resource subscription, a refund in the amount of amount paid-sessions used=refund amount.

We have a range of different subscription packages available, which can be seen below:

The price of the subscriptions which are listed above are per 10 hour booking. So for example, if a student chooses the option of the Gold package and has a 20 hour booking, the total amount for the Gold subscription would be £100.

The resources which are printed are either made by Mr James Maths Tuition, licenced to Mr James Maths Tuition or are free of charge which could have been taken from a range of different websites and services. The charges which have been listed above are not prices for the resources themselves, however, the costs are for the time taken and the resources for the printing involved, such as paper and ink.

Resources can be printed either in colour or black and white, depending on which is most appropriate for the type of resource, for example, practice papers are printed in black and white, as there is no colour on the original documents.

The subscription will keep running until cancelled, so if you no longer wish for the resources to be printed, please inform your tutor. Failure to do so will result in the charges being applied for any resources which have been printed, whether these have been used or not.

If a student pays for the printed resource subscription for a 10 hour booking, and then continue to make another booking after this one has been concluded, the subscription will be carried over, and the charge for the new subscription will be applied to the invoice for the new booking, however, if a student only has 10 hour sessions, once the booking has been concluded no further payments will be taken for the resource subscription, as this will be cancelled automatically once the booking has been concluded.

If a student makes a booking and pays for a printed resource subscription, once the booking has begun and printed resources have already been printed, there will be no refund for the resources which have been printed.

Students will be informed of the price of the resources the week before the session is due to take place, this should give plenty of notice for the student/parent to obtain the payment for the resources provided.

If a booking has been made, and the student has paid for a printed resource subscription, but does not use all of their sessions, there will be no refund applied for the printed resource subscription.

Printed resources are intended for the purpose of use in maths tuition sessions, and should not be copied, edited or reproduced or sold in any form. Failure to comply with this could result in legal action being taken against the student (If over 18 years old) or the parent (If the student is under 18 years old).

Payment for the printed resources can be made by any of the following methods:

- Cash
- Bank Transfer
- Credit/Debit Card Payment
- Apple Pay or Android/Google Pay
- Stripe – Invoice Payment
- Sway

A receipt will be produced upon request for the resources, or by emailing:

Finance@mrjamesmathstuition.co.uk
